**Greenwood Regional Rehabilitation Hospital Announces Appointment
Clifford Monda, D.O., Medical Director**

Greenwood Regional Rehabilitation Hospital is pleased to announce the appointment of Clifford Monda, D.O. as Medical Director. As Medical Director, Dr. Monda will provide medical leadership to our team of patient care givers. Dr. Monda is a board certified physician specializing in Physical Medicine and Rehabilitation and he is a Fellow in the American Academy of Physical Medicine and Rehabilitation. He completed a residency in Physical Medicine and Rehabilitation at the University of Alabama at Birmingham where he served as Chief Resident.

For the past four years, Dr. Monda has been affiliated with Carolina Rehabilitation Associates in Greenwood. He also served as the Medical Director for Self Regional Healthcare's Transitional Care Unit.

Tim Kagle, Chief Executive Officer said, "we are extremely pleased that Dr. Monda's commitment to the rehabilitation needs of the Lakeland's Community will continue at Greenwood Regional Rehabilitation Hospital."

"I am excited about being Medical Director and opening up my own practice." said Dr. Monda. "My family and I have enjoyed our first four years in Greenwood and we are looking forward to continuing residing in the area." Dr. Monda is married, has two children.

Please join the staff of Greenwood Regional Rehabilitation Hospital in welcoming Clifford Monda, D.O. as our new Medical Director.

###

Greenwood Regional Hospital has been open since October 2007 and is located at 1530 Parkway, Greenwood, SC 29646, Phone: 864-330-1600, Fax: 864-330-1609. Greenwood Regional Rehabilitation Hospital is owned and operated by Ernest Health. Ernest Health owns and operates community-based acute rehabilitation and long-term acute care facilities in Arizona, Colorado, Idaho, Montana, New Mexico, Texas, Utah, Wyoming and South Carolina. We are dedicated to providing high quality, cost-effective physical medicine and rehabilitation services to promote the recovery of individuals who have functional deficits resulting from injury or illness as well as those with chronic or complex medical conditions. We promote a healing and nurturing environment at each of our facilities, responding to medical, physical, psychological and social needs of our patients.
